PRES SAFE CODE OF CONDUCT

The Presbyterian Church of Queensland (PCQ) aims to create a safe environment and ensure that children are protected from abuse and harm. The following principles set the expectations for all persons involved in children's ministry:

- Become familiar with and act in accordance with the Presbyterian Church of Australia's National Safe Ministry Framework (including its Principles, Policy, and Procedures) and the PCQ Code of Conduct and Procedures;
- Understand that perpetration of any physical, psychological or emotional harm or neglect, or sexual abuse or exploitation is unacceptable, that it will be treated seriously and sensitively, and that it must be reported in accordance with the Church's Mandatory Reporting Policy and Procedures;
- In all aspects of personal life and relationships and at all times, strive to act according to the highest standards, demonstrating courtesy, consideration and good judgement;
- Treat all people with respect and dignity regardless of age, culture, gender, religious affiliation, personal circumstances or any other point of differentiation;
- Accept and exercise the duty of care appropriate for each and all participants;
- In accord with Scripture, engage only in lawful activity and never assist persons engaged in illegal activities;
- Strive to carry out all relevant roles in accordance with the doctrines and values of the Presbyterian Church of Australia;
- Respect the authority of leaders and act in accordance with reasonable directions;
- Only engage in age-appropriate actions and activities within children's ministries;
- Complete any and all training required by the Church in relation to ministry roles.

As the application of these National Principles in specific situations requires interpretation, those involved in ministry must seek advice if placed in a position of uncertainty.
